

Matariki

Mātauranga
Celebrate learning

- Traditionally, Māori were keen observers of the night sky, determining from the stars the time and seasons, and using them to navigate the oceans. Matariki is about having fun with your loved ones by sharing ngā pūrākau - stories with your whānau. Perhaps you could learn to play a new kemu – game.
- Stories and Games from home
- Hire a Weaving Tutor or Kapahaka tutor to come in on session
