Celebrate the outdoors

- Look up at the stars can you see Matariki? Explore astronomy or become a kaitiaki - guardian by showing environmental awareness. Go for a walk in your community and get to know its streams, rivers, and trees. Listen to the birds out in the taiao.
- Recycling in Centre, watch it be collected or take to refuse
- Composting - Environmental awareness, set up a worm farm
- Repurposing - What could this become?
- Clean up the community -a beach or road walk to pick up rubbish
- Sand, mud, and water play
- Talk about Papatūānuku
- Learn about local flora and fauna with a bushwalk
